

APRIL FORUM & CONNECTIONS CANCELLATION

Dear BHWF Members,

Given the recent progression in the COVID-19 situation, we will cancel the April Forum and reschedule Carole Simpson's talk at a future time. All Connections events will also be canceled until further notice. The health and safety of our members are our priority, and we decided that it is best to act immediately to minimize the risk of the spread of the virus. We are diligently monitoring how the circumstances unfold and will continue to update our membership.

Thankfully, we live in a time when technology allows us to chat and 'meet' virtually. We have a vibrant BHWF community and we encourage you to continue to connect with each other. As our March speaker, Jeanne Blasberg mentioned in her inspiring closing remarks, these times may actually allow us to focus more on our inner selves and to develop a side we had been curious to explore (such as writing, in her case).
